Discussions:

AECOM had been back in contact regarding a meeting and village walk about. Those attending are all willing to assist in this matter and were asked to think about what they regarded as acceptable with the latest developments and where they see further development heading. AECOM to contact Angela next week with possible date. Not a Wednesday and afternoon if possible.

Questionnaire results - Wendy closed down the online site which has had all the written replies entered on to the site and all comments made. Maureen and Wendy to analyse the results and put them into a more user friendly application. 233 responses have been received.

The comments to be read and responses compiled - Angela and Maureen

Once results are analysed and put into a report it needs to be forwarded to Olivia Carr (Olivia.carr@aecom.com) and Ben Castell (Ben.castell@aecom.com) plus our consultant Sally Chapman (sally@chapmanplanning.co.uk).

It was agreed that we approach various businesses to ask if we could display our pop up banners for a week in situ! - Wendy to ask at The Anchor, Angela to ask at Park Fields and Sisco, Ann to display at the school morning and afternoon, Pat to display at village hall. Also to consider the church, golf range and any other possibilities.

A date for an open village consultation was discussed, it was decided that time was needed to:

- Create a report from the responses
- Compile responses to comments made
- To advertise the event
- To invite the consultant and AECOM

So the 11th March 2023 from 11am to 4 pm was the overall choice.

For the open consultation day it was discussed about what to display, some of the previous information boards to be used, a PowerPoint display of the questionnaire results and a brief draft of possible policies that may be viable as a result of the survey report.

Next meeting was not arranged but possibly Thursday 23rd February 2023 @ 1330hrs if that suits everyone - Ann are you here or away?
