

NHP Steering Group Meeting - 18th May 2023

Attendees:

Maureen Davis

Wendy Vickers

Pat Amos

Angela Johnson

This meeting was to discuss what the Steering Group would present on the 10th June and to run through the PowerPoint presentation slides that Wendy had put together.

We combined the presentation slides with the NHP Structure advice that Sally Chapman sent us. Wendy updated the PowerPoint slides and points of views were discussed regarding specific wording when presenting to the public.

Apart from the change of a couple of Housing Assessment slides the PowerPoint presentation is ready (Angela to send Wendy other options).

Now it is a case of compiling the actual presentations by members of the Steering Group to run concurrent with the PowerPoint presentation.

The posters and leaflets are to be ordered. (Angela) and distributed door to door by the 3rd June 2023. Maureen does have a contact that would do this at a cost. (We are still waiting for the 2023/2024 Grant Application to be made public). Volunteers needed otherwise we will look at the possibility of the Parish Council covering the costs of delivery.

Date for next meeting to be confirmed. Possibility Friday 2nd June 2023 at 1400hrs.
